

Announcement from Faculty of Science, Chulalongkorn University

The International Graduate Scholarship Programme

Faculty of Science, Chulalongkorn University announces the policy to support the international graduated students in all academic fields in order to further develop academic cooperation between Thailand and foreign countries as well as to increase the diversity and number of international students in the faculty. In accordance with the policy, the administrative committee of the Faculty of Science (Meeting 2/2022 on 24th January, 2022) already approved “the International Graduate Scholarship Programme” for Academic Year 2022 to provide financial support to the international students who wish to pursue their graduate studies in the Faculty of Science, Chulalongkorn University

Term of Scholarships:

1. Two-year master's degree scholarship
2. Three-year doctoral degree scholarship

Provision of the Scholarships:

The scholarships will cover the following:

1. Tuition fees of 33,500 THB per semester
2. A monthly stipend and accommodation in the amount of 9,000 THB
3. Health Insurance Fee 2,000 Baht per Academic year

Conditions of Scholarships:

1. The term of the scholarships cannot be extended.
2. The scholarship will be limited to 1 scholarship/program/academic year and will be provided up to 10 scholarships per academic year.
3. If the number of applications exceeds the scholarship quota, the application selection process shall be proceeded by the Faculty of Science Academic Affairs Committee.
4. The monthly stipend will be provided only when the awardees reside in Thailand and register as full-time students.

Eligibility of the Applicants:

1. Full-time incoming students in all academic fields (including double degree and joint degree programs) of the Faculty of Science, Chulalongkorn University who will enroll in the first or second semester of Academic Year 2022.
2. Applicants must already be accepted into the program in Faculty of Science, Chulalongkorn University as regular full-time students.
3. Applicants must have a good command of English with the minimum of English score related to programme's requirement.

Documents Required for Application:

1. A completed application form with a 1-inch photograph attached
2. A curriculum vitae
3. An academic transcript of the last academic institution that the applicant attended
4. English proficiency score record
5. A photocopy of the applicant's passport

Application Procedures and Period:

1. The program sends the completed application forms of each applicant and relevant documents directly to the Academic Affairs before the announced deadline.

2. If you have any inquiries, please feel free to contact Faculty of Science Academic Affairs Office, Room 103, 1st Floor, Chemistry 2 Bld., Faculty of Science, Chulalongkorn University.

Disbursement

Academic Affairs will disburse the supporting funds from the Financial Division of Faculty of Science.

In case of any problems regarding the supports occur, the matter will be handled by the Dean of Faculty of Science under approval from the Faculty of Science's Administrative Board Committee.

Announced on January 2022

(Professor Polkit Sangvanich, Ph.D.)
Dean, Faculty of Science
