

Announcement from Faculty of Science, Chulalongkorn University

The International Students Scholarship for Academic Year 2024

The Faculty of Science at Chulalongkorn University (“Faculty”) is pleased to announce the implementation of a strategic policy aimed at fostering international academic collaborations and enhancing diversity among our student body. This initiative underscores our commitment to supporting international students across all graduate programs within the Faculty.

In alignment with this policy directive, the Faculty of Science Administrative Committee (Meeting 8/2024 on 22nd April 2024.) has formally approved the establishment of “The International Students Scholarship for Academic Year 2024”. This program endeavors to provide substantial financial assistance to exceptional international students seeking to pursue their degrees within the esteemed Faculty of Science at Chulalongkorn University.

Term of Scholarships:

1. Two-year master’s degree scholarships
2. Three-year doctoral degree scholarships

Provision of the Scholarships:

The scholarships cover the following:

1. Tuition fees Part I
2. A monthly stipend in the amount of 9,000 THB
3. Health insurance costs of 2,000 THB per academic year

Conditions of Scholarships:

1. The term of the scholarships cannot be extended.
2. There are up to 10 scholarships provided by Faculty of Science per academic year. The scholarship is limited to 1 scholarship/program/academic year.
3. If the number of applications exceeds the scholarship quota, the application selection process shall be proceeded by the Faculty of Science Academic Affairs Committee.
4. The monthly stipend will be provided only when the awardees reside in Thailand and register as full-time students.

Eligibility of the Applicants:

1. Applicants must be full-time incoming international students in all academic fields (including double degree and joint degree programs) of the Faculty of Science, Chulalongkorn University who will enroll in the first or second semester of Academic Year 2024.
2. Applicants must already be accepted into a program in Faculty of Science, Chulalongkorn University as regular full-time students.
3. Applicants must have a good command of English with the minimum English score that meets the requirement of the respective program.

Documents Required for Application:

1. A completed application form with a 1-inch photograph attached
2. A curriculum vitae
3. An academic transcript of the last academic institution that the applicant attended
4. A copy of the English proficiency score record
5. A photocopy of the applicant's passport

Application Procedures:

1. The program submits the completed application form of each applicant and relevant documents directly to the Academic Affairs before the announced deadline.

2. If you have any inquiries, please feel free to contact Faculty of Science Academic Affairs Office, Room 105, 1st Floor, Chemistry 2 Bld., Faculty of Science, Chulalongkorn University.

Disbursement:

Academic Affairs will disburse the supporting funds from the Financial Division of Faculty of Science.

Should any problems regarding the support arise, the matter will be handled by the Dean of Faculty of Science under approval from the Faculty of Science's Administrative Board Committee.

Announced on April 2024

(Professor Pranut Potiyaraj, Ph.D.)
Dean, Faculty of Science
